

Bursary Fund (2020-21)

Policy

The Trustees distribute 5% of the previous financial year's net fee income in the form of bursaries for the forthcoming session. For the session 2020-21, this means that £94,199 will be available for distribution as bursaries. Specific details of the scheme for 2020-21 are set out below.

1. Before receiving a bursary, parents must complete a bursary application form, submit it with the necessary paperwork to the Bursar and receive a letter from the Bursar confirming the bursary has been granted.
2. Bursaries are available for classes 1-12 inclusive and are now also available for any child attending kindergarten who will not be receiving Edinburgh City Council nursery funding in the coming academic year 2020-2021.
3. The criteria set out in this document are for the 2020-21 session only. For 2021-22 and subsequent sessions different criteria may apply. The Trustees reserve the right to vary the criteria on an annual basis.
4. A fresh bursary application form will need to be completed for each school session.
5. For parents with more than one child in the school only one application needs to be submitted.
6. To qualify for a bursary parents must satisfy both the income criteria and the capital criteria.
7. Applications **including required documentation** not received by the **deadline of 30 April 2020** will not be considered.
