

## *"In a Nutshell"* – **Photographs, Film and E-technology (SW08 3 parts)**

- Permissions must be gained for film and photographs
- Photographs and film can only be kept if there is a specific reason for it
- Photographs and film should only be taken on school cameras etc (unless on trips) and deleted once uploaded
- No publication on the internet/social media as a general rule – this is done by ICT staff and they must refer to full policy
- Any concerns should be reported to management

Parents must not photograph or film children in School without prior permission

Students access is age specific, for information on a particular year group see full policy
